

If a tree falls well  
You're not gone  
At least for me  
I didn't hear

It's a long break  
And some time away  
With some things to repair

And it's a lazyboy  
And a big mistake  
Going round  
And a funny stare  
And your beauty shop hair  
Coming down

Joyful joyful  
But not feeling it at all  
And there's some things  
That don't mend  
Squander the days  
In a wrongful haze to distract and suspend

And it's a lazyboy  
And a big mistake  
Going round  
And a funny stare  
And your beauty shop hair  
Coming down

And it's a lazyboy  
And a big mistake  
Going round  
And a funny stare  
And your beauty shop hair  
Coming down
