

Lazyboy

Amy Ray

If a tree falls well
You're not gone
At least for me
I didn't hear

It's a long break
And some time away
With some things to repair

And it's a lazyboy
And a big mistake
Going round
And a funny stare
And your beauty shop hair
Coming down

Joyful joyful
But not feeling it at all
And there's some things
That don't mend
Squander the days
In a wrongful haze to distract and suspend

And it's a lazyboy
And a big mistake
Going round
And a funny stare
And your beauty shop hair
Coming down

And it's a lazyboy
And a big mistake
Going round
And a funny stare
And your beauty shop hair
Coming down
