

The Rock Is My Foundation

Amy Ray

Oh the rock is my foundation
Jesus is at the bass
God is on the kick drum
And the Holy Spirit sings

Oh I will not be troubled in the daytime
And I will not be troubled in the night
Cause that firmament's gonna open
When I breathe my final prayer

Oh the rock is my foundation
Jesus is at the bass
God is on the kick drum
And the Holy Spirit sings

All my life I have been a sinner
All my life I have gone astray
Oh sinner hang on, yeah sinner hang on
You gonna have your judgment day

Sinner hang on, yeah sinner hang on
You gonna have your glory day

Oh sinner hang on, yeah sinner hang on
You gonna have your judgment day

Yeah sinner hang on, why sinner hang on
You gonna have your glory day

Oh the rock (oh the rock) is my foundation (my foundation)
Jesus is at the bass
God is on the kick drum
And the Holy Spirit sings (the Spirit sings)
