

# Carry Me Away

Amy Studt

The world is sleeping, but I'd rather be awake.  
Hear the silence and what she's got to say.  
All your sorrows let them drift away.  
I get the feeling, that everything'll be okay.  
Come and embrace me, my sweet lullaby.  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away.  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away.  
Lost in the moment, don't want it to end.  
So I'm finding, you my waiting friend.  
Soon you'll embrace me, my sweet lullaby.  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away.  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away.  
Carry me far from my troubles tonight,  
Bring me back safely, in the morning light.  
Lalalalalalalala  
Lalalala  
Lalala  
Carry me away.  
Lalalalalalalalala  
Lalalala  
Lalala  
Carry me away.  
Softly, softly, as I close my eyes,  
Come and embrace me, my sweet lullaby.  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away  
Lalalalalalala  
Lalalala  
Lalala  
Carry me away  
(Carry me away) Carry me away  
(Carry me away) Carry me away
