

# Do You Love Me

Amy Studt

You say to me get a grip  
why don't you now get lost  
I'm so getting sick of you  
critising me all the time  
I can't take it any more so lets listen to what you have to say?

(LL J COOL)

That's what I like that's what I don't like  
I'm not gona get lost  
I'm not gonna fall  
It's not my fault  
Oh yeah

(Chorus)

(LL J COOL)

Do you love me?

(Amy)

Only with the groove

(LL J COOL)

Do you love me?

(Amy)

Only when You move

(LL J COOL)

Cuz I love you

(Verse)

(Amy)

It's not what I like about you  
I don't really what to say  
I'm so alone  
And I'm so sad  
I wish you could be here  
but I guess that's life

(LL J COOL)

I love you  
I try to kiss you  
I try to touch you  
You just kick me out the way if you love me then proove it

(Chorus)

(Verse)

(LL J COOL)

Don't punch kick don't do anything  
I won't be there anymore  
I'm always trying to do my best for you but you won't listen  
I'm packing away  
So just leave me alone

(Amy)

So what Do I care  
Oh yeah  
I don't know what to say  
But just go  
I will miss you so  
Yeah yeah yeah ohhh  
OH YEAH

(Chorus 2 times)

(Verse)

(Amy)

Nothing will make me stop laughing  
I just WANT YOU TO GO

(LL J COOL)
