

## Just A Little Girl

Amy Studt

Sometimes I feel you're not listening  
Sometimes I feel you don't understand  
But I think I've got the answer  
Already know what you're gonna say

'Cause I'm just a little girl you see  
But there's a hell of a lot more to me  
Don't ever underestimate what I can do  
Don't ever tell me how I'm meant to be

You say I'm just a little girl, just a little girl  
How can I compare? What do I know?  
What have I got to share?  
But there's nothing in this world, nothing in this world  
That could hold me down, can't you hear me?  
Don't you understand  
That I wanna be myself, wanna be the girl,  
Wanna be the one that you can rely on  
How I wish that you could see all there is of me  
How I long to hear that you take me  
For who I am

'Cause I'm just a little girl you see  
But there's a hell of a lot more to me  
Don't ever underestimate what I can do  
Don't ever tell me how I'm meant to be

'Cause I'm just a little girl you see  
But there's a hell of a lot more to me  
Don't ever underestimate what I can do  
Don't ever tell me how I'm meant to be

Sometimes I feel you're not listening  
Sometimes I feel you don't understand

'Cause I'm just a little girl you see  
But there's a hell of a lot more to me  
Don't ever underestimate what I can do  
Don't ever tell me how I'm meant to be

'Cause I'm just a little girl you see  
But there's a hell of a lot more to me  
Don't ever underestimate what I can do  
Don't ever tell me how I'm meant to be
