

# Ladder In My Tights

Amy Studt

Just one more word and I'm gonna explode  
I'm gonna self combust  
I'm gonna blow up the word  
With just one more look you're gonna  
Cross the line  
I mean over the edge  
You're on thin black ice  
Ooooh, there's a little bit of psycho in me  
I confess  
Why do you want to pick on me  
And not the rest  
Does it make you feel big  
Does it make you feel clever  
So tell me how's the weather

If I just had a littler more time  
I'd get some duct tape and silverwear  
Oh, if I just had a little more time  
I'd show you

The world feels so much better when you  
Find you don't fit  
There's a ladder in your tights and  
Who gives a fuck if whoops, you ain't shiny  
And perfect  
There's a ladder in my tights and  
That's the way, uh huh, I like it  
That's the way I feel about it  
You'll be trying to hitch a ride with me  
When it finally hits you

With just one more push trying to make me  
Your clone  
Marking me out of ten  
For the label on my clothes  
Just more more squack  
And i'm gonna hit back  
I'm gonna burn down your house  
In a heated attack  
Oooh, there's a little bit of devil in me  
I confess  
'cause you want to pick on me  
And not the rest

If I just had a little more time  
I'd get some C4 and dynamite  
Oh, if I just had a little more time  
I'd show you

The world feels so much better when you  
Find you don't fit  
There's a ladder in your tights and  
Who gives a fuck if whoops, you ain't shiny  
And perfect  
There's a ladder in my tights and  
That's the way, uh huh, I like it  
That's the way I feel about it

You'll be trying to hitch a ride with me  
When it finally hits you

Hey you will all be coming round  
Give it time, let you find yourself  
Hey free yourself from the crowd

The world feels so much better when you  
Find you don't fit  
There's a ladder in your tights and  
Who gives a fuck if whoops, you ain't shiny  
And perfect  
There's a ladder in my tights and  
That's the way, uh huh, I like it  
That's the way I feel about it

The world feels so much better when you  
Find you don't fit  
There's a ladder in my tights and  
Who gives a fuck if whoops, you ain't shiny  
And perfect  
There's a ladder in my tights and  
That's the way, uh huh, I like it  
That's the way I feel about it  
You'll be trying to hitch a ride with me  
When it finally hits you
