

# Nobody

Amy Studt

Sometimes it seems that I have no place  
And I don't know what to do with myself  
Light up another  
I can taste the filth inside  
And I need to cleanse my soul

Nobody knows, nobody cares  
That I die on the inside  
Nobody sees the lie that is me  
'Cause I smile on the outside  
Still nobody knows, nobody cares  
When I walk on the wrong side  
(Tell me who) Nobody  
(Tell me who) Nobody  
(Tell me who) Nobody...  
...But you

All the friends that I've had  
Where are they now?  
Guess I'm far too intense to be loved  
All the things that I hate  
I hate about myself  
And I need to cleanse my soul

Nobody knows, nobody cares  
That I die on the inside  
Nobody sees the lie that is me  
'Cause I smile on the outside  
Still nobody knows, nobody cares  
When I walk on the wrong side  
(Tell me who) Nobody  
(Tell me who) Nobody  
(Tell me who) Nobody...  
...But you

(Nobody, nobody, nobody)  
I have nobody but you  
(Nobody, nobody, nobody)  
Nobody, nobody, nobody....but you

Nobody knows, nobody cares  
That I die on the inside  
Nobody sees the lie that is me  
'Cause I smile on the outside  
Still nobody knows, nobody cares  
When I walk on the wrong side

Nobody knows, nobody cares  
But you  
Nobody knows, nobody cares  
But you
