

# Testify

Amy Studt

I've been cheating myself for too long.  
Living as if i was going nowhere,  
And I know it's wrong,  
I've been fighting myself for too long,  
I try, really try to keep my head up high,  
And I know it's wrong,  
And I should really know better,  
But it's been so long;

I know how I feel,  
But I'm afraid to show it,  
Inside it's so real,  
But no one else would know it,  
The whole truth and no lies,  
Cutting deeper, I can hear my soul cry,  
Come on Testify, Come on Testify

I've been lying to myself for too long,  
Silence.... was my only comfort

And I know it's wrong,  
But I can't change the weather,  
It's been too long;

I know how I feel,  
But I'm afraid to show it,  
Inside it's so real,  
But no one else would know it,  
The whole truth and no lies,  
Cutting deeper, I can hear my soul cry,  
Come on Testify, Come on Testify

To the friends that I've lost on the way,  
To the friends I've been pushing away,  
You could say that I've made it,  
But I'm Jaded  
And inside I'm falling;

I know how I feel,  
But I'm afraid to show it,  
Inside it's so real,  
But no one else would know it,  
The whole truth and no lies,  
Cutting deeper, I can hear my soul cry,  
Come on Testify, Come on Testify

I've been fighting,  
Myself for too long,  
And Ive been hating,  
Myself for too long.
