

# He Can Only Hold Her

Amy Winehouse

He can only hold her for so long  
The lights are on but no one's home  
She's so vacant  
Her soul is taken  
He is what she's running from

Now How can he have her heart  
A When it got stole  
Though he tries to pacify her,  
Cuz what's inside her never dies

Even if she's content in his warmth  
She gets pained with urgency  
So Urgent kisses  
The man she misses  
The man that he longs to be

Now how can he have her heart  
A When it got stole  
So he tries to pacify her  
Cause what's inside her never dies

So he tries to pacify her  
cuz what's inside her, it never died.  
So he tries to pacify her  
cuz what's inside her never died.
