He Can Only Hold Her

Amy Winehouse

He can only hold her for so long
The lights are on but no one's home
She's so vacant
Her soul is taken
He is what she's running from

Now How can he have her heart A When it got stole Though he tries to pacify her, Cuz what's inside her never dies

Even if she's content in his warmth She gets pained with urgency So Urgent kisses The man she misses The man that he longs to be

Now how can he have her heart A When it got stole So he tries to pacify her Cause what's inside her never dies

So he tries to pacify her cuz what's inside her, it never died. So he tries to pacify her cuz what's inside her never died.
