

# Monkey Man

Amy Winehouse

Aye aye aye, aye aye aye  
huggin up the big monkey man  
Aye aye aye, aye aye aye  
huggin up the big monkey man

I never saw you, I only heard of you  
huggin up the big monkey man  
I never saw you, I only heard of you  
huggin up the big monkey man

It's your lie, it's your lie  
huggin up the big monkey man  
It's your lie, it's your lie  
huggin up the big monkey man

Now I know that, now I understand  
huggin up the big monkey man  
Now I know that, now I understand  
huggin up the big monkey man
