Monkey Man

Amy Winehouse

Aye aye aye, aye aye aye huggin up the big monkey man Aye aye aye, aye aye aye huggin up the big monkey man

I never saw you, I only heard of you huggin up the big monkey man I never saw you, I only heard of you huggin up the big monkey man

It's your lie, it's your lie huggin up the big monkey man It's your lie, it's your lie huggin up the big monkey man

Now I know that, now I understand huggin up the big monkey man Now I know that, now I understand huggin up the big monkey man
