

## Stronger Than Me

Amy Winehouse

You should be stronger than me  
You've been here 7 years longer than me  
Don't you know you supposed to be the man,  
Not pale in comparison to who you think I am,

You always wanna talk it through - I don't care!  
I always have to comfort you when I'm there  
But that's what I need you to do - stroke my hair!  
'Cause I've forgotten all of young love's joy,  
Feel like a lady, and you my lady boy,

You should be stronger than me,  
But instead you're longer than frozen turkey,  
Why'd you always put me in control?  
All I need is for my man to live up to his role,  
Always wanna talk it through - I'm ok,  
Always have to comfort you every day,  
But that's what I need you to do - are you gay?

'Cause I've forgotten all of young love's joy  
Feel like a lady, and you my lady boy

He said 'the respect I made you earn -  
Thought you had so many lessons to learn'  
I said 'You don't know what love is - get a grip! ' -  
Sounds as if you're reading from some other tired script

I'm not gonna meet your mother anytime  
I just wanna grip your body over mine  
Please tell me why you think that's a crime

I've forgotten all of young love's joy  
Feel like a lady, and you my lady boy

You should be stronger than me (4x)
