## To Know Him Is To Love Him

## **Amy Winehouse**

To know know know him Is to love love him Just to see that smile Makes my life worthwhile To know know know him Is to love love him And I do, and do, and I do

Oh, I'll be good to him I'll bring joy to him Everyone says there'll come a day When I'll walk alongside of him To know know him Is to love love him

I do, I really do, and I do

Why can't he see How blind can he be Someday he'll see That he was meant for me

To know know know him Is to love love love him Just to see that smile Makes my life worthwhile To know know know him Is to love love him And I do, I really do, and I do
