

You're Wondering Now

Amy Winehouse

You're wonderin' now, what to do, now you know this is the end
You're wonderin' how, you will pay, for the way you misbehaved

First time I swallowed, now you're on your own
I won't return, forever you will wait

You're wonderin' now, what to do, now you know this is the end

First time I swallow, now you're on your own
I won't return, forever you will wait

You're wonderin' now, what to do, now you know this is the end
You're wonderin' how, you will pay, for the way you misbehaved

You're wonderin' now, what to do, now you know this is the end
You're wondering how, you will pay, for the way you misbehaved
