

Pleasant Times

An Pierlé

Pleasant times
Pleasant dreams to keep
Nicely broken

Other ways
To recover from
Slightly broken

Visions of love
Precisely spoken
Words to fall asleep

Rest in purple shadows

I like the day that's been done
Precisely spoken
I'd like you to stay with me

Softly drinking
Through the night
Lonely in my life

Go to sleep
I'll be right there
Beside you thinking

Yours to keep
I will save us from
Slowly sinking

Visions of love
Precisely spoken
Words to fall asleep

Rest in purple shadows

I like the day that's been done
Precisely spoken
I want you to stay with me
