

# Tame Me

Ana Johnsson

I've heard it all a million times before  
That's why you're so easy to ignore  
Why don't you go and save your prayers  
For someone else, who cares?  
I am young and I want to explore  
Say I have it all, well I want more

You can try to  
You can try to

Tame me, save me  
Break me, make me fake a flawless smile  
You can try to  
Tame me, save me  
Take your best shot cause I dare you to try  
And tame me

Known to be a rebel, wild at heart  
I have been that way right from the start  
I can be much more  
But I'll be nothing less, but a mess  
And I might be a weird one but I'm smart  
Yeah you know I'm quite a piece of art

You can try to  
You can try to

Tame me, save me  
Break me, make me fake a flawless smile  
You can try to  
Tame me, save me  
Take your best shot cause I dare you to try  
And tame me

You may or may not ever understand  
Life is short I'll live it while I can

You can try to  
You can try to

Tame me, make me fake a flawless smile  
You can try to  
Tame me, save me make it worth my while

(You can try to...)

Take your best shot cause I dare you to try  
And tame me

Tame me, save me  
Break me, make me fake a flawless smile  
You can try to  
Tame me, save me  
Take your best shot cause I dare you to try  
And tame me  
Tame me  
Tame me

(You can try to tame me, save me...)
