

# What Is a Girl to Do

Ana Johnsson

Come on I feel it  
It's in the air  
When were around each other  
Move closer release it  
It's only fair  
Coz we've, we've done this for to long

What is a girl to do  
To get through to you  
How does a girl make you understand  
That we can make it all come true  
What is a girl to do  
To get through to you  
Tell me cause I haven't got a clue  
What is a girl to do

Go on I need it  
Move closer now  
Let's melt into each other  
Let go don't fear it  
Open your eyes  
And see before the moment's gone

What is a girl to do  
To get through to you  
How does a girl make you understand  
That we can make it all come true  
What is a girl to do  
To get through to you  
Tell me cause I haven't got a clue  
Tell me

What is a girl to do  
To get through to you  
How does a girl make you understand  
It's a once in a lifetime chance  
What is a girl to do  
To get through to you  
Tell me cause I haven't got a clue  
What is a girl to do

Let's take this one step further  
And stop wasting precious time  
I know we'd be good together  
Are you down with that  
Are you down with that  
Baby what if it's now or never  
And we don't make that move  
We'd regret this day forever  
Got nothing left to prove

What is a girl to do  
to get through to you  
What is a girl to do  
to get through to you  
Why don't you make a move

What is a girl to do  
To get through to you  
How does a girl make you understand  
It's a once in a lifetime chance  
What is a girl to do  
To get through to you  
Tell me cause I haven't got a clue  
What is a girl to do
