

Fearless

Ana Popovic

I don't fear darkest night
I was born, born to fight
I am fearless fearless fearless, yeah yeah
inside out
I won't leave leave leave
a single doubt

I can stand shaky ground
I won't moan, moan and cry
I am fearless fearless fearless
for another round
I won't make make make a single sound

I don't fear bumpy ride
I won't run, run and hide, no
I am fearless fearless fearless
my oh my
I will reach reach reach
the higher ground

I don't fear cloudy skies
won't pretend, won't disguise, no
I am fearless fearless fearless
tell no lies
I'll keep my eyes eyes eyes
on the prize

I won't hush for what I know is right
I won't give up 'for I speak it out yeah
I am fearless fearless fearless
this time around
and I'll keep my own own own
peace of mind

I'll take you by surprise
while I walk same old ground
and stay fearless fearless fearless
without a bound
I'll keep you safe, I'll keep you safe
safe 'n sound
