

## Art Fag

## Anal Cunt

He listens to the fucking smiths  
He's got a mustache  
He wears a trenchcoat  
He's got a mustache  
He wears black tights  
He writes poetry  
He wears black lipstick  
under his mustache

He's got a rollercoaster haircut  
He dyes it jet black  
When his hair is really brown  
Just like his mustache  
he wants to be Robert Smith  
But with a mustache  
He's a fucking art fag  
He's got a mustache
