

Chris Barnes Is A Pussy

Anal Cunt

You hid on your bus
you were afraid of us
you couldn't fight me 'cause you're gay
you had your roadies save the day

Chris Barnes is a faggot
You are fucking gay
Chris Barnes is a faggot
You are a fucking faggot
Chris Barnes is a faggot
Your breath smells like cum

You like dicks up your ass

You are a fucking midget
so you can blow guys without kneeling
you and Allen West met at a gay bar
and wanted to start a band

You got kicked out of Cannibal Corpse
because you suck
you started Six Feet Under
and they suck too

Chris Barnes is a faggot
You are fucking gay
Chris Barnes is a faggot
You are a fucking faggot
Chris Barnes is a faggot
Your breath smells like cum

I'll fight you anytime you fag
but you'll have your roadies fight for you
if you're so brutal
why don't you fight me by yourself?

You fucking cum guzzling faggot homo pussy
