

Obviously Adopted

Anal Cunt

You P.C. fucking faggot
You're trying to win an Oscar for adoption
I hope your kids kill you and rape your wife
Amistad is the stupidest movie I've ever seen

Obviously adopted, obviously adopted, obviously adopted, fuck you Spielberg (2x)

How come all the black extras and slaves
Had names, but the white ones didn't
I fucking hate you and your gay movies
Amistad was an excuse to bully your way to an Oscar
