

## The Word Homophobic Is Gay

**Anal Cunt**

I'm not afraid of faggots  
But I like making fun of them  
It was made-up by some P.C. faggot  
To make fag haters look stupid

Anti-homophobe by Brutal Truth  
Is a pathetic attempt to be P.C.  
Kevin's obviously not a homophobe  
Because he's a fucking faggot
