

You Converted To Judaism So A Guy Would Touch Your Dick

Anal Cunt

You just broke up with Jaime from Hatebreed
Even Chris Barnes won't blow you again
You heard all kikes have to get circumcised
You fantasized about some rabbi grabbing your dick

No one would touch you, now you're a Jew
You fucking hebe, now you're a kike

After you got circumcised
Guys still wouldn't touch you
It's bad enough you were a fag before
Now you're a gay faggot Jew

No one would touch you, now you're a Jew
You fucking hebe, now you're a kike
