

## You Have Goals

**Anal Cunt**

You want to go to school  
you want a good job  
you want to get married  
you want to own a car

You're boring, you're gay, you're old, you have goals (2x)

You want to own a house  
you want to have kids  
if these are your goals  
then you're fucking stupid

You're boring, you're gay, you're old, you have goals (2x)
