

## You Sell Cologne

**Anal Cunt**

You have a mustache, you called me on the phone  
you wear a beret and you sell colonge  
you wear colonge but you still smell bad  
you smell like shit from all the men that you've had

You sell colonge (4x)

You wear a gay suit, you have a mustache  
you're always looking at your customers ass  
a freelance homo, you tried to sell to sears  
but you got kicked out because you're fucking queer

You sell colonge (4x)
