

# Fly Until You Crash

Anarbor

When you begin to question all that you ever believed in  
Just give it a moment and before you know it  
We'll be home again, we'll be home again

It's harder to stand than to fall  
But honestly it felt too good  
It never felt so good,  
It never felt so good to fall

And I'd be lying if I told you  
I never knew it was coming  
But I'm tired of lying and I'm sick of trying  
We both know it wasn't worth it  
I need to hear it  
And you need to say it

It's harder to stand than to fall  
But honestly it felt too good  
It never felt so good,  
It never felt so good to fall

I need to hear it  
And you need to say it

It's harder to stand than too fall  
But honestly it felt too good  
It never felt so good,  
It never felt so good to fall
