

What He Don't Know

Anarbor

Tell me the truth, does he make you
sweat, shiver like I do
And I don't mean to be so cruel
But I want to make you do

Bad things that he can't teach you
Same places he can't reach to
Tell me the truth does me make you
Ah Ah Ah Ah Ah Ah

Your body is calling
I wanna answer you
You dare me to dare you
Who's gonna make a move?

We can play this dirty game
While he's away
Ain't that why you came?
You whisper in my ear soft and low:
What he don't know - won't hurt him
don't know - won't hurt him
don't know - won't hurt him (no)
What he don't know - won't hurt him
don't know - won't hurt him
don't know - won't hurt him

Those devil eyes, set me on fire
Got me burning up inside
Simple touch is just enough
to tell you like it rough

You say you want to leave him
secrets always stay sweet and
on the tip of your tongue
like a loaded gun
Ah Ah Ah Ah Ah Ah

Your body is calling
I wanna answer you
You dare me to dare you
Who's gonna make a move?

We can play this dirty game
While he's away
Ain't that why you came?
You whisper in my ear soft and low:
What he don't know - won't hurt him
don't know - won't hurt him
don't know - won't hurt him (no)
What he don't know - won't hurt him
don't know - won't hurt him
don't know - won't hurt him

We've crossed the line
so many times- tonight
there's no getting you back
into that black dress

Your body is calling
I wanna answer you
You dare me to dare you
Who's gonna make a move?

We can play this dirty game
While he's away
Ain't that why you came?
You whisper in my ear soft and low:
What he don't know - won't hurt him
don't know - won't hurt him
don't know - won't hurt him (no)
What he don't know - won't hurt him
don't know - won't hurt him
don't know - won't hurt him
