

Hidden By Blue

Anarchy Club

It hasn't quite hit me yet
I know it will
They say when it rains, it pours
I'm saving for something I can afford

All I see is me and you
Eyes of green hidden by blue
All I know is all I see
The part of me

It's over now
It's over for now
Self-inflicted
I'm addicted

Never ever
Never ever one

It hasn't quite hit me yet
I know it will
They say when it rains it pours
I'm saving for something I can afford

All I see is (the part of me)
All I see is (the part of me)
All I see is (the part of me)
All I see is (the part of me)
