

Shadow Of A Ghost (guilty Remix)

Anarchy Club

A silhouette in darkness
Slowly revealed to light
A living weapon, here to fight

The first to draw a weapon
Is just the first to fall
No-one to blame, she warned them all

They blink, she moves, it's over
In turn they fall like leaves
Street justice in a den of thieves

She cuts her way right through them

A shadow of a ghost
She is the knife against their throats

They gather up the wounded
They stagger and they sway
When predator becomes the prey

Prey... (prey... prey... prey...) (Echoed)
