

# Higher Livin'

Anastacia

I'm on the edge, not looking down  
Cause I know the fear will pull me to the ground  
Seen too much to walk away  
Sometimes you gotta take a leap of fate

Well I might have seen it all  
I have the share in my faults  
I can't wait to see, wait to see when I'm going  
Don't let in yesterday  
It has its place  
Only time will tell

Higher livin' today  
Higher life to live

It's too late to give up now  
We got a higher life to live  
It's too late to turn back now  
We got a higher life to give  
Oh oh  
Higher livin', higher higher livin' (higher livin')  
Higher livin' today  
It's too late to turn back now  
It's too late

I'm on the edge, not looking in  
I'm not taught to who I was or where I've been  
Looking ahead, a brand new day  
I've never been this strong so try to keep the pace

Well I might have seen it all  
I have the share in my faults  
I can't wait to see, wait to see when I'm going  
Don't let in yesterday  
It has its place  
Only time will tell

It's too late to give up now  
We got a higher life to live  
It's too late to turn back now  
We got a higher life to give  
Oh oh  
Higher livin', higher higher livin' (higher livin')  
Higher livin' today  
It's too late to turn back now  
It's too late

Higher livin', higher higher livin'  
Higher livin', higher higher livin'  
Higher livin', higher higher livin'  
Higher livin', higher higher livin'

It's too late to give up now  
We got a higher life to live  
It's too late to turn back now  
We got a higher life to give  
Oh oh

Higher livin', higher higher livin' (higher livin')  
Higher livin' today  
It's too late to turn back now  
It's too late
