

# I Don't Want To Be the One

Anastacia

It's been a long time since I took your breath away  
I'd rather be blind if I have to watch us fade  
Even though I know we're through I still love you  
It's been a long time and I fight to face the day  
Misery is so unkind and we can't afford to stay  
Lost in love, I cry can't seem to hide this  
But if your hands are last I hold, I don't how to let it go

'Cause I don't wanna be the one to say it's over  
So you're gonna have to be the one 'cause one we say it's over  
There'll be no turning back so I just wait here in the past  
And that's all I can do 'cause I'm not through loving you

It's been a long time since I felt you look into me  
Can't believe it behind that I...but now you look right through  
me  
Lost in love, I cry can't seem to hide this  
But if your hands are last I hold  
I don't how to let it go

'Cause I don't wanna be the one to say it's over  
So you're gonna have to be the one 'cause one we say it's over  
There'll be no turning back so I just wait here in the past  
And that's all I can do 'cause I'm not through loving you

Pain don't go away with the work of I  
Now I'm stuck in the moment and I  
Stay hoping you say you're not leaving me  
And that's all I can do 'cause I'm not through loving you

'Cause I don't wanna be the one to say it's over  
So you're gonna have to be the one 'cause one we say it's over  
There'll be no turning back so I just wait here in the past  
And that's all I can do 'cause I'm not through loving you

It's all I can do, I'm not through loving you  
All I can do, I'm not through loving you
