

# Time

Anastacia

Ohh.. Time...  
Time..

They say timing... is everything  
But nothing you control  
'Cause there's always tomorrow  
But tomorrow never knows  
It's 1 day at a

Time keeps running away  
No matter what's left behind  
It keeps on moving  
Tomorrow is not in today  
And all of your yesterdays  
Are only a matter of  
Time.. time..

And the journey of a lifetime  
Will begin with one step  
When you're climbing up that mountain  
It's so easy to forget  
It's one step at a time

Time keeps running away  
No matter what's left behind  
It keeps on moving  
Tomorrow is not in today  
And all of your yesterdays  
Are only a matter of  
Time

Keeps running away  
No matter what's left behind  
It keeps on moving  
Tomorrow is not in today  
And all of your yesterdays  
Are only a matter of  
Time

Oh time oh...  
Whoa.. Oh... Whoa.. Ohh.. Whoa...!  
Hah! Ooooh.. I said now

Time keeps running away  
No matter what's left behind  
It keeps on moving  
Tomorrow is not in today  
And all of your yesterdays  
Are only a matter of  
Time
