

# Welcome To My Truth

Anastacia

Sentimental days  
In a misty clouded haze  
Of a memory that now feels untrue

I used to feel disguised  
Now I leave the mask behind  
Painting pictures that aren't so blue

The pages I've turned are the lessons I've learned

Somebody bring up the lights  
I want you to see  
„Don't You Feel Sorry For Me“  
My life turned around  
But I'm still living my dreams  
„Yes it's true I've been“

I've been through it all  
Hit about a million walls

Welcome to my truth.. I still love  
Welcome to my truth.. I still love

Tangled in a web  
With a pain hard to forget  
That was a time that I've now put to rest

Oh, the pages I've turned are the lessons I've learned

Somebody bring up the lights I want you to see  
Don't You Feel Sorry For Me  
My life turned around  
But I'm still living my dreams  
Yes it's true I've been

I've been through it all  
Hit about a million walls  
Welcome to my truth.. I still love  
Welcome to my truth.. I still love

I still love, oh yeah

And u know that I still love, oh yeah

Sentimental days  
In a mist of clouded haze  
Of a memory that now feels untrue

Somebody bring up the lights
