

Welcome To My Truth

Anastacia

Sentimental days
In a misty clouded haze
Of a memory that now feels untrue

I used to feel disguised
Now I leave the mask behind
Painting pictures that aren't so blue

The pages I've turned are the lessons I've learned

Somebody bring up the lights
I want you to see
„Don't You Feel Sorry For Me“
My life turned around
But I'm still living my dreams
„Yes it's true I've been“

I've been through it all
Hit about a million walls

Welcome to my truth.. I still love
Welcome to my truth.. I still love

Tangled in a web
With a pain hard to forget
That was a time that I've now put to rest

Oh, the pages I've turned are the lessons I've learned

Somebody bring up the lights I want you to see
Don't You Feel Sorry For Me
My life turned around
But I'm still living my dreams
Yes it's true I've been

I've been through it all
Hit about a million walls
Welcome to my truth.. I still love
Welcome to my truth.. I still love

I still love, oh yeah

And u know that I still love, oh yeah

Sentimental days
In a mist of clouded haze
Of a memory that now feels untrue

Somebody bring up the lights
