

You Shook Me All Night Long

Anastacia

He was a fast machine
He kept his motor clean
He was the best damn man I had ever seen
He had the sightless eyes
Telling me no lies
Knockin' me out with those American thighs

Taking more than he share
Had me fightin' for air
He told me to come but I was already there
'Cause the walls were shakin'
The earth was quakin'
My mind was achin'
And we were makin' it and you...

Shook me all night long
C'mon girlfriend
Oh yeah
Shook me
Said you...shook me all night long
Oooh shook me

Workin' double time
On the seduction line
He was one of a kind, he's just mine all mine
Wanted no applause
Just another course
He made a meal out of me and came back for more

Had to cool me down
To take another round
Now I'm back in the ring to take another swing
Now the walls were shakin'
The earth was quakin'
My mind was achin'
And we were makin' it and you...

Shook me all night long
C'mon girlfriend, shook me
Oooooooh...you
Shook me all night long
Everybody sing with me
You shook me all night long
Oooh...
Shook me, shook me...baby
You shook me all night long
Shook me...

C'mon
I said, you shook ma all night long
Oooooooh...oooooh...you
Shook me all night long
You, you, you...
Shook me all night long
You...
Shook me baby...you
Shook me all night long

Yeah, you shook me, you shook me

Ooooooh, you shook me, you shook me, you shook me, you shook me
