Kasa No Hone (The Umbrella's Bones)

Anathallo

Karakasa no hone wa Bara bara Kamya yaburete mo Take ni sotaru En ja mo Mis're nasaru na Nambo watashi ga Yaburete mo Us'te shon shon

Translation of Japanese:
The ribs of the umbrella
Have fallen apart;
The paper is also torn,
But with bamboo
Tied together.
Do not throw it away.
Though I
Also am torn,
Don't desert me.
