

# Flying

Anathema

1. Started a search to no avail a light that shines behind the veil, trying to find it  
and all around us everywhere is all that we could ever share  
, if only we could see it  
believe there's true thoughts beyond me  
life ever changing weaving destiny

R1: It feels like I'm flying, above you  
dream that I'm dying, to find the truth  
seems like your trying, to bring me down  
back down to earth, back down to earth

2. Layers of dust and yesterdays shadows fading in the haze, what I couldn't say  
though I said my hands were tied time I changed and now I find, free for the first time  
feel so close to everything now  
strange how life makes sense in time

R2: It feels like I'm flying, above you  
dream that I'm dying, to find the truth  
seems like your trying (trying, trying, trying...), to bring me down  
back down to earth, back down to earth,  
back down to earth, back down to earth, BACK DOOOWN!!!
