## Anathema

You  
I saw you  
Yes you  
Saw you

Trick of the light  
Stop for the night  
Tired and confused

Saw you  
Saw you

Slow down, slow down  
Please, slow down

Trick of the light  
Stop for the night  
Tired and confused  
Reminded of you  
Trick of the light  
Stop for the night  
Tired and confused

Saw you  
Saw you  
Saw you  
Saw you
