Anathema

All Over Is Sea As My Eyes Can See
And The Light Of The Ease Shore
Is Shimmering So Far Away

Here In The Silence My Sorrow Is The Sea
And My Heart Is Lonely
And I'm Tied With The Bloody Chains Of Concerns And Belongings

The Roars Of The Waves Are Whispering
Take A Leap In The Dark
Take A Leap In The Dark, And You'll Be Free

But I Don't Have The Dare To Run That Risk
To Tear Apart That Chain From My Weak Feet
And There's No Hope To Get There, Somewhere I Ever See
And There's No Hope To Get There, Somewhere I Ever Be
