

## Make It Right (F.F.S.)

Anathema

I know that I want you  
I know that I need you  
But I can't pretend that  
This'll make it right  
You whisper your name  
But I can't hear you  
Don't leave me behind  
Lend me your hand  
I can feel them  
I think they're closing in  
Don't leave me behind  
Lend me your hand  
Let me feel you  
By my side  
Be where I can hear you  
I long to feel
