

# Atonement

Anberlin

I've seen faces I may never see again  
I've been places I never could have dreamt  
I've touched hands with those who touched me  
Seen the marks, the skeleton keys

I found peace in a foreign atonement  
I lost myself in tides of a moment  
But nothing compares

Don't want to be here, don't want to be here without you  
I need to know you, I need to know you believe in me  
What's it worth if what it's worth alone? (Somebody tell me now  
)  
And what's the point if all the points we know? (Somebody show  
me how)

I've loved where I've been  
Yes, I've loved where I've been  
But my heart's where I'm going

Don't want to be here, don't want to be here without you (I don't  
want to go alone)  
I need to know you, I need to know you believe in me (I don't want  
to go alone)

I lost myself in tides of a moment  
But my heart's where I'm going

Don't want to be here, don't want to be here without you (I don't  
want to go alone)  
I need to know you, I need to know you believe in me (I don't want  
to go alone)

I don't want to go alone  
I don't want to do this all on my own  
(I don't want to go alone, I don't want to go alone)  
We can ride into the sun  
Together we can take it, we're right with you inside  
(I don't want to go alone, I don't want to go alone)
