

## Driving (Autobahn)

Anberlin

And we're driving just as fast as we can  
and we're racing to outrun the wind  
It's just me and you and you and me so wild eyed  
so young, bright eyed and free  
And we're trying to get out of here  
and a small town romance draws ever near  
And I swear we're in a movie  
the highlight comes when you kiss me

The stereo sings our song  
and we don't hesitate to sing along

Drive to dream to live, we could see the world tonight  
Here to hope tomorrow we could see the world

And we're miles from the middle of nowhere  
and neither of us seems to care  
And that's why I love you so, shut your mouth girl  
no one has to know  
And time seems to drip like Dali  
and neither of us has a place to be  
So for once and forever tell me all of your dreams
