

## True Faith

Anberlin

I feel so extraordinary  
Somethin's got a hold on me  
I get this feelin' I'm in motion  
A sudden sence of liberty

I don't care cuz I'm not there  
I don't care if I'm here tomorrow  
Again and again i've taken too much  
Of the things that caust you too much

I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood I lost, displaced by fear  
I used to think that the day would never come  
That my life would depend on the morning sun

When I was a very small boy  
Very small boys talked to me  
Now that we've grown up together  
They're afraid of what they see

That's the price that we must pay  
Our valued destiny comes to nothing

I can't tell you where we're going  
Guess there's just no way of knowing

I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood i lost, displaced by fear  
I used to think that the day would never come  
That my life would depend on the morning sun

(Now I'm sure that you left me standing  
In a world that's such a new thing)

I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood I lost, replaced by fear

I used to think that the day would never come  
I'd see delight in the shade of the morning sun  
My morning sun is the drug that brings me near  
To the childhood I lost, displaced by fear  
I used to think that the day would never come  
That my life would depend on the morning sun
