

## Devasthate

## Ancient Dome

There is no war to end all wars  
There is no war in the name of God  
There's no salvation, no justification  
There is no glory in killing someone  
Try to find the truth behind this lie  
That only shows you what power claims  
Rush for control, the money talks  
Just an illusion, victims of what?!?!

DevastHate !!! DevastHate !!!  
What is destroyed can't be re-created  
DevastHate !!! DevastHate !!!  
All must be blind, victims of fate

Madness of one, millions of dead  
Deny the fight with no compromise  
Nuclear bombs (and) guided missiles  
No! This is not the progress of mankind  
Ashes of war upon all nations  
Cleansed with words by politicians  
Solemn speech full of empty promises  
Prepared to hide the umpteenth death-roll

DevastHate !!! DevastHate !!!  
What is destroyed can't be re-created  
DevastHate !!! DevastHate !!!  
All must be blind, victims of fate

Hate overall is spreading the world  
A brain assault straight to the mindless poor  
Threshold of madness depicted by mad men  
Who can't see further than their little thoughts  
God now becomes just an excuse  
To justify a thousand abuses  
Nightmare on earth, a curtain closed  
Please do your best to find out the right cure

DevastHate !!! DevastHate !!!  
What is destroyed can't be re-created  
DevastHate !!! DevastHate !!!  
All must be blind, victims of fate
