

## Land Of Frost And Despair

Ancient Rites

Land of frost and misery  
No hope for the future  
Only the darkest goal  
Only the darkest dreams  
Darkest desires fill my soul  
Land of Frost and Misery  
Blasphemous games  
No place for the weak  
Only the Cold  
No love  
Darkest desires  
Burn my soul  
No place for a weak God  
Only Black is real  
No place for sun  
Dark clouds  
Land of Frost  
Land of Frost  
Land of Frost  
No place to raise the children  
Winter cannot bare new life  
Land of the North  
Only the darkest dreams  
Touch my soul in  
The Land of Frost
