

# The Calling Of Nocturnal Demons

Ancient Wisdom

Come forth, possess me  
Servants of Satan  
In this night I'll dethrone him  
The king of the jews

Rise, enchant me  
Grasp my soul  
Incantation of Fire  
Consumes the light  
Greet the Flames, disciples of christ

By the Flame in my soul  
I gaze through this world

Come forth, possess me  
Servants of Lucifer  
Bring me Thy strenght  
Infernal Chaos  
As I summon the Demons of Yours

By the Flame in my soul  
I'll drown this world in blood
