

The Calling Of Nocturnal Demons

Ancient Wisdom

Come forth, possess me
Servants of Satan
In this night I'll dethrone him
The king of the jews

Rise, enchant me
Grasp my soul
Incantation of Fire
Consumes the light
Greet the Flames, disciples of christ

By the Flame in my soul
I gaze through this world

Come forth, possess me
Servants of Lucifer
Bring me Thy strenght
Infernal Chaos
As I summon the Demons of Yours

By the Flame in my soul
I'll drown this world in blood
