Sweet Leaf

Alright now! Won't you listen? When I first met you didn't realize I can't forget you or your surprise You introduced me to my mind And left me wanting you and your kind I love you. Oh you know it My life was empty forever on a down Until you took me showed me around My life is free now, my life is clear I love you sweet leaf - though you can't hear Come on now - try it out Straight people don't know what you're about They put you down and shut you out You gave to me a new belief And soon the world will love you sweet leaf
